

Introducing Mirka® DEOS

Mirka® DEOS Features & Benefits

- Electric Orbital Sander with 3mm orbit
- 3" x 5" and 2¾" x 7¾" models available
- Lighter than pneumatic tools, but with comparable power
- Low profile allows for easy maneuverability
- Ideal for sealer, filler and primer sanding applications
- Ideal for tight and low profile spaces
- Optimized ergonomics for a comfortable grip
- Separate on/off switch for easy and safe handling
- Max OPM can be adjusted from 5,000-10,000 opm
- Fast, efficient and dust-free sanding performance
- Bluetooth connectivity pairs with myMirka App
