A SENSE OF PRESENCE

Medium sized and oblong meeting rooms are the PTZ camera's natural habitat. A 72.5° field of view creates a sense of presence right from the start and it's easy to zoom in to a suitable level. And you can test the Konftel Cam50's performance by taking the 12x optical zoom all the way. Show notes on a whiteboard or details of a product sample with impressive clarity.

HEAR THE DIFFERENCE

Four beamforming digital microphones provide a more focused audio experience with less distracting background noise. The Konftel 70 creates balanced, natural and lifelike conversations utilising noise suppression and echo cancellation as part of Konftel's acclaimed OmniSound® technology. Hear and be heard in crystal clear, rich detail.

NO HASSLE HUB

The ingenious Konftel OCC Hub offers One Cable Connection to the conference camera, speakerphone and screen. In practice, this means the Konftel C5070 fully supports BYOC – Bring Your Own Computer, where the user can utilize their preferred collaboration service on any laptop with a USB port.
